FREQUENTLY ASKED QUESTIONS

HOW MANY STEMS DO I NEED?

While this can vary greatly by the designer and container being used, here is our general guide:

Budvases – 1-2 focal flowers, 2-3 filler or greenery

Mason Jars – 15-20 flowers (mix of focal, filler, & greenery)

Bridesmaid Bouquets – 30-35 Stems (7-10 focal, 15-20 filler & greenery)

Bridal – ~30% larger than bridesmaids

If placing a large order and the budget allows I recommend practicing ahead of time by either ordering a “practice” bucket or picking up a couple of our mixed bouquets in the flower shop or at farmers market.

CAN YOU DO MY BRIDAL BOUQUET OR OTHER PIECES?

Yes! We have many couples that opt for us to do the personals and they take care of the centerpieces and extras. Just send us an email and we are happy to discuss these items.

HOW LONG DO BLOOMS TYPICALLY LAST?

In fresh water, in a cool spot, these flowers will last 4-10 days, depending on the variety. We find wilting occurs when they are put in the sun or out of water.

WHEN DO YOU RECOMMEND I PICK UP THE FLOWERS AND HOW SHOULD I CARE FOR THEM?

Most couples pickup their flowers on Thursday or Friday for a Saturday event. We will reach out to you after you place your bucket order to arrange pickup information.

Pickups are available from the flower shop inside Hill's Compounding Pharmacy
9-6 Tuesday through Friday or Saturday 9-1.
Farm pickup can be arranged as needed.

You will receive your flowers in buckets of water. Plan ahead to make sure you have adequate space inside your air-conditioned vehicle in order to safely transport them home. I recommend boxes or crates to prevent tipping. Check the water level when you get home and place in a cool spot indoors.

HOW DO I PLACE MY ORDER?

Once you know how many buckets you need you can order/reserve your flowers through our website. Please allow a minimum of 1 week's notice. We recommend that you place orders for weddings or large events up to 9 months in advance. Since we are growers the earlier the better, we may plant just for your wedding. Once the order is placed we will reach out to you to confirm your order and to get any additional information we may need.

If for some reason we are unable to confirm your order, we will refund your money.
