

DIY BULK BOTANICALS

DIY/Bulk Botanicals

options

If you're looking for fresh flowers for your wedding or other special event, we've got you covered. Bulk flowers are offered in 50 stem increments and are available for pick up from our farm or flower shop March through Mid-October. Orders will typically contain a mix of 5+ flower types, including 1-3 types of focal, 2-3 fillers, and 1-3 types of greenery.

PREMIUM CHOICE

*Blooms chosen by us based off
a color palette chosen by you
(available March-October)*

50 Stems \$90/110

GROWER'S CHOICE

*Blooms and color palette
chosen by us
(available July-October)*

50 Stems \$75

WHICH OPTION IS RIGHT FOR YOU?

If you are simply looking for bright and beautiful blooms, but do not mind which types or colors you receive, the Grower's Choice is a great option.

If you have a specific color palette or flower types in mind, the Premium Choice allows you to request the colors and flowers. While our blooms will vary on season and timing each year, we will do our best to make sure you have flowers similar to your request. Requesting two or more colors ("white & blush", "shades of purples & blues", "peaches, orange, & yellows", etc) is preferred and easiest to accommodate, but we can do single colors such as "all white" or "shades of pink" with adequate notice.

Working with *Seasonal Blooms*

The timing of what is in season and our selection of what we grow can vary slightly from year to year. Nevertheless, we do our best to accommodate your vision with a variety of colors and booms. Here is a general list of flowers you could expect to find each season:

MARCH-MAY

Filler: Cosmos, Ageratum, Gomphrena, Amaranthus, Celosia, Statice, Yarrow, Snapdragons, Scabiosa, Delphinium, Frosted Explosion Grass, Hydrangeas, Strawflower, Forget-me-nots, Bee Balm

Greenery: Eucalyptus, Eleagnus, Smoke Bush, Baptisia, Ninebark

Frequently Asked Questions

HOW MANY STEMS DO I NEED?

While this can vary greatly by the designer and container being used, here is our general guide:

Budvases: 1-2 focals, 2-3 fillers/greenery

Mason Jars: 15-20 flowers

(mix of focal, filler, & greenery)

Bridesmaid Bouquets: 30-35 stems

(7-10 focal, 15-20 filler/greenery)

Bridal Bouquet: approx. 30% larger than bridesmaid bouquets

WHEN DO YOU RECOMMEND I PICK UP THE FLOWERS AND HOW SHOULD I CARE FOR THEM?

Most couples pick up their flowers 1-2 days before their event. We will reach out to you to arrange pick up information.

Pickups are available from the flower shop inside Hill's Compounding Pharmacy from 9-6 Tuesday through Friday, or on Saturday from 9-1. Farm pick up can be arranged as needed.

You will receive your flowers in buckets of water. These buckets are yours to keep, so please plan ahead to make sure you have adequate space inside your air-conditioned vehicle in order to safely transport them home. We recommend boxes or crates to prevent tipping. Check the water level when you get home and place them in a cool spot indoors.

HOW LONG DO BLOOMS TYPICALLY LAST?

In fresh water and a cool spot, we find our flowers will last about 4-10 days, depending on the variety. We notice wilting occurs when they are left in the sun or out of the water.

CAN YOU DO MY BRIDAL BOUQUET OR OTHER PIECES?

Yes! We have many couples that opt to take care of the centerpieces and extras, while having us take care of the personals. Just send us an email and we are happy to discuss these items.

HOW DO I PLACE MY ORDER?

Once you know how many buckets you need you can order/reserve your flowers through our website. Please allow a minimum of 1 week's notice. We recommend that you place orders for weddings or large events up to 9 months in advance. Since we are growers, the earlier the better - we may plant just for your event! Once the order is placed, we will reach out to you to confirm your order and to get any additional information we need.

If for some reason we are unable to confirm your order, we will refund your money.
